

## Complimentary Crimson

Crimson attention  
Instantaneous connection  
Your copper ferns glowed russet bronze  
Warm silhouette auburn green complimentary

Deeper than I suspected  
Routed between deciduous others  
Unusually everlasting casting countenance  
Flares heritage warmth grows in abundance as I come close

I'd like to remain in your presence  
In awe of your determination absolute  
On an uphill maze you bring pause my intake has been consumed by  
Your scale your omnipresence your perennial ceremony
