

Thanks

I would like to thank John Ros and studioELL for this life-changing opportunity and continued support on my art journey.

I would also like to thank the visiting artists Lauren K. Alleyne, Charlie Levine and Jason Sloan. I have been inspired and moved by the virtual visits, and am grateful for the positive impact these have had on my multi-media practice.

Thank you to the studioELL community, and to anyone who has encountered my practice during this artist residency.

Thanks to my family and friends for your ongoing encouragement and feedback.

Tracy
